

## EXPRESSION OF INTEREST BOARD / COMMITTEE / PANEL APPOINTMENTS

We encourage anyone who believes they have the skills and experience to contribute to the right of the Gwich'in to participate in decision-making concerning the *Gwich'in Comprehensive Land Claim Agreement (GCLCA)*, to express an interest by completing the attached form.

### Boards

'Boards' or 'board' refers to a co-management board, a committee or panel set up to interpret, implement or arbitrate any recommendations or decisions made by governments which affect the rights and benefits of the Gwich'in under the *GCLCA* and / or within the Gwich'in Settlement Region of the Northwest Territories and the Yukon.

*Note: It does not refer to the duly-elected Board of Directors of the Gwich'in Tribal Council (GTC), or elected councillors of the community Designated Gwich'in Organizations or DGO renewable resource councils.*

The **Gwich'in Land & Water Board**, the **Gwich'in Land Use Planning Board** and the **Gwich'in Arbitration Panel** currently have or will have vacancies for nominees by the GTC.

Remuneration is available for board members in accordance with that respective board's guidelines.

### Send us your CV (Curriculum Vitae)

Your CV is the best indication for us to consider your skills and experience. You should include - along with the attached form - the following information (with dates wherever possible):

- current employment (or if self-employed)
- previous employment
- current and past membership plus periods of service on all government and non-government bodies (i.e., board memberships, committees, council memberships, community groups)
- possible conflicts of interest (professional, financial or personal)
- particular area(s) of interest in relation to Gwich'in language, culture and way of life
- names and contact information of two (2) references

### Confidentiality

Your CV and any other information we hold on our nominations database are used only by the GTC Board of Directors in the nominations and appointments process. We keep this information secure and will not disclose it to any third parties without your approval.

You are entitled to request access to, and correction of, any personal information that the GTC holds about you. If you have any questions or concerns about how the GTC may collect, use or store your personal information, please contact us.

### **How the nomination process works**

Once we receive your CV, we enter details of your skills and experience into our nominations database. When we are invited to put forward nominations for the government's consideration for a particular board, we search the database, matching the requirements of the position with the skills and experience of the people on our database.

If your skills and/or experience are relevant, you may be considered for nomination. The government is also required to take into account the desirability of promoting diversity in the membership of co-management entities.

*Note: Expressing your interest in board positions and registering your CV with us does not mean that your name will be forwarded automatically for consideration. Nor does it commit you to accepting an appointment if it is offered to you.*
