GWICH'IN TRIBAL COUNCIL

Truth and  
Reconciliation  
Commission of Canada

The Truth and Reconciliation Commission (TRC) National Northern Event in Inuvik has come and gone, and many statements were given. Sharing one's story has started many former students and inter-generational survivors on their healing journeys.

You can still share your statement on your residential school experience through an audio, video or written statement, or (if you wish) to follow up with another statement.

The Gwich'in Tribal Council – in partnership with the TRC - continues to offer private statement gathering in Tsiigehtchic, Fort McPherson, Aklavik and Inuvik.

We can come to you.
